ERDAS IMAGINE 2014. and was ready to use. Disposable bedpans were a common fixture of hospitals throughout the country and were especially common in teaching hospitals. In the early 1960s, a few qualified implementers were certified in the use of the bedpans. The importance of educating physicians, nurses, and, especially, patients, in proper disposal of bedpans and other medical waste cannot be understated. Improper handling could be highly hazardous to patients. Many hospitals printed bedpan
